

TC West Titan Bullpen Club

The Traverse City West Titan Baseball program introduces the Bullpen Club for the 2009-2010 school year. The goal of the Bullpen Club is to raise money for the program as well as increase visibility of Titan Baseball through our logo apparel. Bullpen Club members will be recognized each year on a sign that will be hung on the varsity field bullpen. Club membership is open to both individuals and businesses and all donations are tax deductible. Show your dedication and support of Titan Baseball by being part of this elite club.
