- During the last minute of each half, all common fouls will be one and one.
- Overtime will be sudden death.
- Each team has one timeout per half.
- There will be one minute between quarters and a three-minute halftime.
- All other rules are per MHSAA.

### Sportsmanship

We will expect good sportsmanship from all coaches, players, and fans. Please remember that the purpose of the jamboree is to teach our young players the great game of basketball and how to compete in an appropriate way. The referees have donated their time and will do the best job that they can. If any fans are being disrespectful to coaches, players, or referees they will be asked to leave. Please cheer for your team without being negative to anyone else. Thank you for being a part of our 6<sup>th</sup> grade basketball jamboree.

We plan on having a concession stand available.
